OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

August 30, 2016

J. Evelyn Lawson
The Clorox Company
c/o PS&RC - P.O. Box 493
Pleasanton, CA 94566

Subject: Notification per PRN 98-10 – Add marketing text, establishment numbers and move Use Sites and Surfaces
Product Name: Tilex®
EPA Registration Number: 5813-24
Application Date: July 11, 2016
Decision Number: 520084

Dear Ms. Lawson:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Wanda Henson at (703) 308-6345 or via email at henson.wanda@epa.gov

Sincerely,

A handwritten signature in blue ink that reads "Wanda J. Henson, for".

Demson Fuller, Product Manager 32
Regulatory Management Branch II
Antimicrobials Division (7510P)
Office of Pesticide Programs

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING: Causes substantial but temporary eye injury and **can may** irritate skin. Vapors may irritate. Do not get in eyes, **on skin** or on clothing. **Wear protective eyewear** [such as goggles or safety glasses]. Avoid prolonged breathing of vapors. Use only in well ventilated areas. **Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.** For sensitive skin or prolonged use, wear rubber gloves. Due to irritating nature, may be harmful if swallowed. **Not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema or obstructive lung disease. (this statement will appear in color)**

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. **IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glassful of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. **Emergency [Medical] Information -or- Poison Control Center: 1-800-446-1014.**

PHYSICAL AND CHEMICAL HAZARDS: This product contains bleach. Do not use or mix this product with other household chemicals, such as products containing ammonia, toilet bowl cleaners, rust removers, vinegar or acid. To do so will release hazardous gases.

Residential/Household uses (16 fl oz, 32 fl oz RTU spray)

STORAGE AND DISPOSAL:

Store this product in a cool [dry] area, [away from direct sunlight and heat] to avoid deterioration. Do not reuse or refill except as described in the directions for use. Refill only with this product. [Please] recycle empty container or discard in trash.

Residential/Household uses (64 fl oz direct application/dilutable non-spray)

STORAGE AND DISPOSAL:

Store this product in a cool [dry] area, [away from direct sunlight and heat] to avoid deterioration. In case of spill, flood areas with large quantities of water. Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer. Nonrefillable container. Do not refill or reuse this container. [Please] recycle empty container or discard in trash.

Professional/Institutional uses (32 fl oz RTU spray)

STORAGE AND DISPOSAL:

Store this product in a cool [dry] area, [away from direct sunlight and heat] to avoid deterioration. Do not reuse or refill except as described in the directions for use. Refill only with this product. [Please] recycle empty container or discard in trash.

Professional/Institutional uses (64 fl oz, 128 fl oz direct application/dilutable non-spray)

STORAGE AND DISPOSAL:

Store this product in a cool [dry] area, [away from direct sunlight and heat] to avoid deterioration. In case of spill, flood areas with large quantities of water. Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer. Nonrefillable container. Do not refill or reuse this container. [Triple rinse promptly, then] [please] recycle empty container or discard in trash.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

AVOID PROLONGED BREATHING OF VAPOR

Use in well ventilated areas. Open windows and turn on fans before use. If the vapors bother you, leave the room while this product is working. For sensitive skin or prolonged use, wear gloves. Do not mix with Tilex® Soap Scum Remover -and/or- Tilex® Soap Scum & Bathroom Cleaner -and/or- Tilex® Bathroom Cleaner -and/or- Bathroom Cleaner -or- Clorox Commercial Solutions® Tilex® Soap Scum Remover & Disinfectant.

[Refill only with this product]

Alternate for Refill Bottle:

To Refill [Spray Bottles]:

Remove

1. Remove trigger sprayer -or- cap from empty bottle.

Pour

2. Unscrew cap on refill and pour contents directly into empty bottle.

Use

3. Replace trigger sprayer and use as you normally would.

-or-

[Remove trigger sprayer from empty bottle,]
unscrew cap and transfer your trigger to this bottle.

HOUSEHOLD USE:

For non-foaming trigger:

TO REMOVE MILDEW STAINS: Turn sprayer nozzle to SPRAY -or- ON [position]. Spray, wait until stains disappear and rinse. Heavy mildew buildup may require longer contact time, or two cleanings.

For foaming trigger:

TO REMOVE MILDEW STAINS: Turn nozzle to FOAM -or- FOAM-SPRAY -or- ON [position] -or- [For tough jobs,] turn nozzle to FOAM-STREAM [position] (***trigger has “foam-stream” and “foam-spray” listed on the nozzle***). Spray 6-8 inches from surface until surface is thoroughly covered. Allow foam to deeply penetrate mildew and problem areas. Wipe with a wet sponge or cloth, and rinse. Heavy mildew buildup may require longer contact time, or two cleanings. If excess foam dries on nozzle, rinse with warm water.

For both the foaming and non-foaming triggers:

To Remove Mildew Stains: Spray 6–8 inches from surface until surface is thoroughly covered. Allow foam to deeply penetrate mildew and problem areas. Wipe with a wet sponge or cloth, and rinse. Heavy mildew buildup may require longer contact time, or two cleanings. If excess foam dries on nozzle, rinse with warm water.

TO DISINFECT AND KILL MOLD & MILDEW [AND PREVENT -OR- INHIBIT -OR- CONTROL THE GROWTH] ON HARD, NONPOROUS SURFACES [such as glazed ceramic tile]: Spray surface until thoroughly wet, let stand 5 minutes[, and rinse]. This product kills *Staphylococcus aureus* (Staph), *Streptococcus pyogenes* (Strep), *Trichophyton mentagrophytes* (Athlete's Foot Fungus) and *Aspergillus niger*.

TO KILL MOLD & MILDEW ON HARD, POROUS SURFACES such as grout and cement: Spray surface until thoroughly wet, let stand 10 minutes, and rinse. [Repeat application.]

TO CLEAN SOAP SCUM: Spray, wait a few minutes, wipe with sponge. Heavy soap scum or mildew buildup may need two cleanings. This product may not be able to remove soap scum and mildew embedded in hard water deposits, old grout or silicone caulking. **FOR SOAP**

SCUM PROBLEMS: Use Tilex® Soap Scum Remover or Tilex® Soap Scum and Bathroom Cleaner or Tilex Bathroom Cleaner.

Rinse immediately after use on rubber, plastic and vinyl. Avoid prolonged contact with metal and old porcelain as this product can react with these materials and leave a “rusty” stain. Do not use on wood or painted surfaces [unless you plan to refinish or repaint them]. [This product may not be able to remove mildew embedded in hard water deposits, old grout or silicone caulking.] [Avoid contact with aluminum, clothes, fabric, carpet or paper surfaces as they will discolor.]

[BIG JOBS: Tilex can effectively clean many household surfaces. For convenience, use the turret top or refill your Tilex sprayer bottle.]

DIRECTIONS FOR USE Continued

WHERE TO USE:

TO CLEAN AND DISINFECT TOILET BOWLS:

Flush toilet and add 1 cup Tilex to bowl. Brush to thoroughly wet all surfaces including under rim. Let stand 5 minutes before flushing.

FLOORS:

Mop washable floors including no-wax floors, linoleum, vinyl and ceramic tile with 1 cup Tilex per gallon of warm water. Rinse for best shine.

TO CLEAN CEMENT POOL AREAS:

Apply liberally (full strength) and rinse. **VINYL AND PLASTIC OUTDOOR FURNITURE:** Sponge on full strength and rinse immediately.
